**CAMPS**

**Get Messy!**

Let artistic chaos reign! Guaranteed big art projects for hands on artists. A camp where being active & artistic meet. Be prepared to be messy!

June 19<sup>th</sup> - 23<sup>rd</sup>

**Da Vinci**

A little art, a little science, a smidge more art and you've got a new formula for the best time! This is a fast-paced class where creativity is fostered thru the combo of art & science.

July 17<sup>th</sup> - 21<sup>st</sup>

**Clue**

Want to solve a mystery? Each day we'll use art & science to find solutions while creating unique artistic creations. Finish the camp with your very own game to play at home.

August 14<sup>th</sup> - 18<sup>th</sup>

**CAMP INFORMATION**

**HOURS:** Camps run Monday through Friday 10-1pm.

**AGES:** Camps are for artists age 4 and up. Each camp has 2 instructors so artists can be divided by age.

**SNACKS & SUPPLIES:** All supplies, snacks and water will be provided. Please be sure to inform the studio of any allergies. All artists need to be dressed to get messy. Class size is VERY limited so be sure to get your spot today!

**PRICING:** You're first camp is \$240. Each additional camp per family is \$220. A \$50 deposit is needed to hold your spot while the remainder is due two weeks before the start of camp. Go online or contact the studio to register.

**EXCURSIONS**

NEW this year! Our Art Excursions are six hour long experiences where we explore art and adventure around Austin. Be it creating your own graffiti mural, meeting and learning from different Austin Artists or experiencing hands-on crafting in local studios, each day is guaranteed to be a once in an exciting and fun experience.

**Masters of Austin**

We will explore art and the great masters by viewing art all around Austin. Recreate and study some of the most popular techniques & pieces. Our excursions can include the Blanton museum, the graffiti park & local art studios.

June 12<sup>th</sup> -16<sup>th</sup> or August 7<sup>th</sup> -11<sup>th</sup>

**Tinker-ium Artists**

Learning is fun, especially when it is hands-on! We'll tinker with circuits, machines and lights while making unique creations, robots & blueprints. Our excursions can include the Thinkery, the aquarium and the planetarium. We will use what we learn to make great art and preform fun science projects.

July 10<sup>th</sup> - July 14<sup>th</sup>
