CAMPS & EXCURSION

Summer Camps and Excursions are a chance for young artists to submerge themselves into Art. Each camp & Excursion has its own unique theme that will allow us to explore art ideas, techniques and concepts in different and fun ways. Like our classes we strike a balance between technique, fun, learning and exploring.

EXCURSIONS

Our Art Excursions are six-hour long experiences where we explore art and adventure around Austin. Be it creating your own graffiti mural, meeting and learning from different Austin Artists or experiencing hands-on crafting in local studios, each day is guaranteed to be a once in an exciting and novel experience. Masters Excursions will focus on unique locations throughout out Austin to inspire creativity. Whereas our Da Vinci will do the same with an exciting science twist. STEAM all the way!

CAMPS

We're continuing some of our most successful and with treasured themes and brand-new projects to explore.

We'll let artistic chaos reign with our Get Messy Camps! Guaranteed big art projects for hands-on artists. A camp where being active & artistic meet. Be prepared to be messy! We've also started our new Animation camp where artists will learn the ins and outs of animation from flip books to digital drawing!

Camps are designed for a wide age range as they're two instructors on hand and artists are split into groups according to level and age
